

Welcome To Astoria

Welcome to Astoria Senior Living and Memory Care! We are pleased to offer Assisted Living and Memory Care in one homelike community. We're dedicated to helping individuals thrive through life.

At Astoria, we ensure life is filled with adventure and countless opportunities to live, laugh and grow. Our robust services and delightful amenities create a vibrant, but relaxing atmosphere. And our broad range of activities and programs provide ample opportunities to socialize with others and energize the mind, body, and soul.

Astoria is an Agemark Senior Living community and one of three Astoria communities nationwide. Family owned and operated, Agemark began offering senior assisted living in the late-1980s, long before "assisted living" was a familiar term. We began by renovating historic buildings in rural areas and converting them into homelike settings for seniors who needed a little help with daily life. Since then, we've grown to 27 communities in six states. But we've held on to what drives us—treating everyone like family. That's our promise, and it applies to all who live and work at Astoria.

Astoria in Omaha, formerly known as Brighton Gardens, joined the Agemark family of communities in December 2022.
